Minors Softball Interleague Rules

I. Purpose

Interleague play provides teams the opportunity to play regular season games against other teams within the district. These interleague rules afford teams from different leagues to play by the same general guidelines which will apply to all fields of play. These rules differ from “ground rules”, whereas a ground rule is a specific issue associated with the local playing field. For example, at Rarick Field in Niceville, there is a tree that overhangs the center field fence. If a batted ball hits the tree, the ensuing action is dictated by the ground rules of Rarick Field. These ground rules shall be identified and discussed during the pre-game plate conference between the game UIC and Managers of both teams. These supplemental rules and regulations shall only be used during regular season play.

II. Age Specific Regulations for Minor Divisions

The Minor League division will consist of players league age 8-12. Any player who is league age 13 shall not be allowed to participate in any of the Minor League Divisions. Any player who has reached league age 12 shall not be allowed to pitch in any Minor Division Interleague game.

III. Approval

These 2025 Florida District 1 Little League supplemental regulations and playing rules were developed by league and district officials to clarify and/or expand regulations and playing rules not otherwise addressed in the 2025 Little League official regulations and playing rules. These supplemental regulations and rules are not intended to and shall not supersede official Little League regulations and playing rules. The layout and format mirror the parent document for convenient cross reference. This supplement shall not duplicate or conflict with existing regulations and playing rules and therefore is not a stand-alone document. This supplement must be used in conjunction with the 2025 Little League official regulations and playing rules and available for reference at each game. These supplemental regulations and playing rules were approved by each leagues President of the Board of Directors and signed by the District Administrator on 02/09/2025.

IV. Playing Regulations

1. Regulation I (The Inter-League):

The interleague consists of leagues within Florida District 1 Little League. The District 1 staff, working in conjunction with, Minor League representatives from each league will be responsible for administering the Interleague. All games will be governed by the 2025 Little League Softball Official Regulations and Playing Rules. The following are interleague playing rules that are in addition to or an enhancement of those rules. All teams playing in the interleague must follow all

Minors Softball Interleague Rules

the rules without exception. All teams must possess a rulebook and a copy of these supplemental interleague rules with them at every game.

2. Regulation III (The Teams):

Only teams from the same division shall participate in interleague games. The teams will be from chartered Little League programs, unless otherwise approved under special games provisions by the District Administrator.

Each team shall maintain a complete and accurate scorebook throughout the season. The scorebooks will be made available for review by opposing managers prior to each game if requested.

There must be a minimum of 8 players on each team to play the game – no exceptions. If a team cannot field 8 players within 15 minutes after the scheduled start time, it will be a forfeit and counted as an 8-0 loss in the standings. If neither team can field eight players, it will be counted as an 8-0 loss for both teams. Exception: If a league cannot field a team and notifies the Interleague representatives 48 hours prior to game time, the game may be rescheduled subject to the approval of the interleague representatives.

If the manager does not follow the above rule and the pool player plays in the game the manager will be suspended for one game. Additional infractions may result in additional suspensions including removal for the season.
- m. Failure to follow these rules could result in a forfeit of the game. The interleague protest committee will decide all forfeits

4. Regulation VII (Game Times/Time Limits):

- a. Games will be scheduled between league representatives (refer to Minor League Contact Sheet).

5. Regulation XIV (Field Decorum):

- c. **Managers and coaches are permitted to warm up pitchers.** This includes pre-game, bullpen or between innings.
- d. Every league should have a designated representative who will be present at games. The function of the representative is to report all events pertaining to the game (including unacceptable behavior by spectators) back to the visiting local league. If there is a discrepancy between the two books that cannot be resolved, the issue will need to be raised immediately to the Umpire in Chief of the game. If after conferring with the Umpires, Managers and Scorekeepers, there is still a discrepancy, the home book will take precedent.

- e. The Umpire in Chief of the game will report failure to provide accurate score books/pitching logs to both league presidents for possible disciplinary action
- f. **For Minor League Player Pitch ONLY**, a “no walk” rule will be used during the first portion of the regular season to help develop pitching and hitting skills. **This rule does not apply to Tournament games.** Under this special rule, once a pitcher reaches a count of 4 balls on the batter, an adult will take the pitching plate and become an adult pitcher for up to two pitches to the batter. The defensive pitcher will then become a "player pitcher" and take a position at the 3 or 9 o'clock position to the pitching plate to not interfere with the adult pitcher during the pitch. The adult pitcher shall not coach in any manner and will avoid interfering with any hit balls. If the adult pitcher is hit by a batted ball, a dead ball will be called, batter
